5,635,301	06/1997	Kondo et al.

**REMARKS**

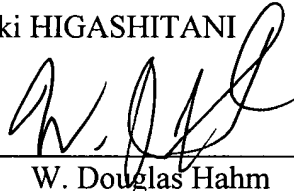

As indicated on the copy of the postcard attached hereto, an Information Disclosure Statement and Form 1449 (copies enclosed) were submitted for consideration on February 23, 2004. Because the submission of the IDS was timely and complied with all the requirements of 37 CFR 1.56, 1.97 and 1.98, the Patentee presumes that the Examiner considered the references during prosecution of this application. However, the references were not listed on the cover sheet of the resulting U.S. Patent No. 6,926,789. Consequently, because this error appears to be no fault of the Patentee, the Patentee respectfully requests that the U.S. PTO issue a Certificate of Correction to list the four references on the cover sheet of the patent at no expense to the Patentee.

Expedited issuance of the Certificate of Correction is respectfully requested.

Respectfully submitted,

Hideki HIGASHITANI
